

Big Ten Environmental Stewardship

This wiki space is intended to provide a vehicle for sharing information that was presented at the Big Ten Environmental Stewardship meeting in Chicago. The initial information on the site consists of the presentations, notes and the sustainability organizational charts that were shared at the meeting. To access the attachments, click on the "Browse" button on the upper right hand corner of this page and go to the attachment section. The video about our group that was developed by Penn State Public Broadcasting is available here: http://www.youtube.com/watch?v=NFanJ3a_NWE

Thanks again to those who attended the conference as well as those who put this useful material together.

Steve
